Guide my feet while I run this race, guide my feet while I run this race, guide my feet while I run this race, For I don’t want to run this race in vain.

Hold my hand while I run this race, hold my hand while I run this race, hold my hand while I run this race For I don’t want to run this race in vain.

Stand by me while I run this race, stand by me while I run this race, stand by me while I run this race For I don’t want to run this race in vain.

I’m Your child while I run this race, I’m Your child while I run this race, I’m Your child while I run this race, For I don’t want to run this race in vain.

Search my heart while I run this race, search my heart while I run this race, search my heart while I run this race, For I don’t want to run this race in vain.

Guide my feet while I run this race, guide my feet, while I run this race, guide my feet while I run this race, For I don’t want to run this race in vain.
